Event Restrictions (as of March 22, 2022):

- Masks need to be worn indoors (except when climbing)
- In case of symptoms of a respiratory illness, people need to stay away from the event, unless they tested negative for Covid-19.

Travel Restrictions (as of March 22, 2022):

- For entering Austria, people need to be either **vaccinated, recovered, or tested**.
 - **Vaccinated** = with a vaccine authorized by EMA and mentioned in the Austrian law ([here](#)).
 - The second dose of vaccines and any subsequent vaccination will be recognised for up to 270 days after they are received.
 - Between 22 – 270 days after a vaccination with a vaccine where only 1 shot is intended (Johnson & Johnson).
 - **Recovered** = confirmation from a doctor or public authority of having recovered from the infection with Covid-19 in the last 180 days.
 - **Tested** = molecular biological test (PCR-Test) taken no longer than 72 hours ago OR antigen-test taken no longer than 24 hours ago (self-tests are not allowed).
- The certificates need to be available in German or English. Easiest way of verification: EU Digital Covid Certificate (EU-compliant QR-Code).
- The procedure might vary depending on the country you come from and people traveling from virus-variant regions need to follow stricter rules. Please check the following link for detailed information: https://www.oesterreich.gv.at/en/themen/coronavirus_in_oesterreich/pre-travel-clearance.html
