Emergency doctor	Phone number to be announced at the TCM	

On-duty personnel at the start during the races:

- 2 ski patrol members at the start with rescue equipment and Akia
- Emergency doctor

EVACUATION PROTOCOL:

Report of the accident to the ski patrol at the start.

The ski patrol arrives at the injured person to assess the type of injury and notifies emergency services.

Transport using a Skidoo or Akia to the Bergeralm mid-station, then by gondola down to the valley.

The emergency medical team takes care of the injured person.

Transport to the designated doctor's office or to Innsbruck Clinic.

If transport with a Skidoo or Akia is not possible due to the injury, a helicopter is requested, a landing zone is prepared, and the injured person is handed over to the emergency doctor from the helicopter team for transport to Innsbruck Clinic. The best method of evacuation and the final destination of the injured person is determined by the doctor or ski patrol.
